

Eleanor, children, grandchildren, great grandchildren and great-great grandchildren.

Mike was born in 1919 in Blackwell, Oklahoma. Growing up during the Great Depression, he faced many hardships, but with great determination and a strong work ethic he strived to achieve a better life.

At the onset of World War II, Mike Faulkner answered his country's call. Serving in the Third Army, Mike was involved in many major battles throughout Europe. He stormed the beach at Normandy, survived the Battle of the Bulge and participated in the liberation of Dachau. It was at Dachau that Mike saw the cruelty of the Nazi regime. Mike later shared his story in a documentary on the concentration camps to remind generations to come of some of our world's darkest history.

Upon returning home, he moved to California where he attended Fresno College, known today as California State University—Fresno. He obtained a degree in Biology and a teaching credential. In 1955, he became a teacher with the Madera Unified School District. Many will remember Mr. Faulkner as their favorite biology teacher at Thomas Jefferson Middle School.

In 1960, the science teacher married his beloved Eleanor and together they raised 3 daughters, Glenda, Shirley and Joyce Ann as well as 2 foster children, John and Carolyn Sue Vogel.

One of the crowning achievements of Mr. Faulkner's career in education was as Principal at John Adams Elementary School in Madera, California. As Principal, he was known as a strict taskmaster who was quick to punish you when you did wrong but equally quick to recognize and reward a job well done.

Retirement couldn't keep Mike Faulkner out of the classroom. He continued to lend his years of experience to troubled youth at the Juvenile Hall and the Sugar Pine Continuation School. He served as a substitute teacher at Madera High School and when he wasn't substitute teaching, he spent time baking, sharing stories with friends, and caring for his beloved family.

Mr. Speaker, I rise to honor Irvin "Mike" Faulkner posthumously for his tremendous service to his country and community. I invite my colleagues to join me in celebrating the life of Irvin "Mike" Faulkner and to express the condolences of a grateful Nation to the Faulkner family.

TRIBUTE TO VIVIAN TESSIERI ON
THE OCCASION OF HER RETIREMENT
FROM THE U.S. HOUSE
COMMITTEE ON SCIENCE

HON. BART GORDON

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 31, 2006

Mr. GORDON. Mr. Speaker, I rise today on behalf of the Democratic Members and staff of the House Science Committee to recognize a long-time member of the Committee staff—Vivian Tessieri.

Vivian will be leaving the Science Committee early next month after nearly 30 years of devoted service. She is one of the longest serving staff members in the history of the Committee and she will be greatly missed.

Vivian was hired by the Committee on Science in 1977, shortly after legislation

passed to significantly expand committee staffs. At that time, the Science Committee had 7 subcommittees and the minority staff (then Republican) grew from 4 to its present size.

I'm told that the rapidly growing staff needed someone to bring order to the chaos, and Vivian—then a young staff assistant with a number of years experience at the General Accounting Office—fit the bill.

Vivian's job has not been easy. Her first assignment was on an extremely busy subcommittee. Vivian jumped right in and brought unprecedented discipline to the operation.

Staff who worked with her assured me that Vivian's years on the Energy Subcommittee were some of its most productive—laying the foundation of energy policy still adhered to today. Vivian excelled at her job and was quickly promoted. When the Full Committee's legislative clerk retired in the early 1980s, Vivian was the obvious choice for that position.

She brought her enthusiasm for organization, common sense to ask questions, and savvy communications ability to the position and it has never been the same.

Generations of members and staff assume that Committee events automatically run smoothly and flawlessly, but the fact is that Vivian has been the force behind the Committee's administrative success.

Even in the midst of her daily workload—endless archiving, copying and maintenance of Committee records—Vivian has always found time to take a personal interest in staff members' legislative issues and keep them informed of related topics moving forward outside of the Science Committee's jurisdiction. She has a keen eye and depth of historical Committee knowledge that is unparalleled.

Only one other Committee employee has worked for the Republicans, then the Democrats, then the Republicans once again. This is a testament to Vivian's unparalleled professionalism and devotion to her job.

Those who have worked alongside Vivian through the years say that to describe Vivian is to combine a high level of competence with an unfailingly helpful, professional and friendly manner. She has been a delight to work with, always dependable and conscientious in her work, while maintaining her serenity and good cheer under pressure.

Vivian loves this institution. Her commitment to her work is a testament to her genuine desire to see members, Committees and staffs succeed for the constituents they serve.

People like Vivian do not come along very often and many times we don't realize their true value until they have gone. Regrettably that time has come. Vivian, we wish you nothing but success and happiness as you take your immense talents to the private sector.

HONORING CHIEF RICHARD CUPIT

HON. DALE E. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 31, 2006

Mr. KILDEE. Mr. Speaker, I rise today to commend Chief Richard Cupit for 43 years of service to the Mundy Township Fire Department and community.

Over the past 43 years, Chief Cupit has saved lives, homes, and businesses. His ac-

tions have directly impacted the quality of life in Genesee County. His courageous actions saving a life in 1988 and the Chief's assistance during the Clara Barton Nursing Home disaster are just two of many acts that have been singled out by the State of Michigan and Genesee County.

The Mundy Township community has changed since Chief Cupit first started working as a fire fighter for the township in 1963. As he moved up through the ranks the community grew and the nature of firefighting changed. His work with the 800MHz Committee, the Hazmat Committee, the Local Emergency Planning Committee, the Genesee County, Michigan and International Fire Chiefs associations, reflect his strong commitment to serving the people of this community. As the director of county fire department coordination he exhibited the ability to work with a diverse group of peers with competing priorities and often under stressful and life threatening circumstances.

I ask the Congress to rise with me today and congratulate Chief Richard Cupit on a long and illustrious career as a fire fighter and a Fire Chief and extend our best wishes to him as he enters a new phase of his life.

TRIBUTE TO FOUR WWII U.S.
ARMY CHAPLAINS

HON. SUE W. KELLY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 31, 2006

Mrs. KELLY. Mr. Speaker, I rise today to honor the heroism and courageous act of self-sacrifice of four U.S. Army Chaplains. On a chilly February day in 1943 during the perilous times of World War II, these four soldiers selflessly gave their life jackets to their fellow comrades as the USS *Dorchester* sunk to the depths of the Atlantic Ocean. The chaplains may have perished on that fateful day but their memory of sacrifice lives on forever.

The chaplains included: LT George L. Fox, LT Alexander D. Goode, LT Johnny P. Washington, and LT Clark V. Poling. The four honorable men represented differing religious faiths ranging from Catholic to Jewish to Protestant. Not only did each chaplain teach of their respective religion, but with their humble act exercised their faiths inherent principles of goodwill and charity toward others.

I would like to commend the American Legion Argonne Post No. 71 in Brewster, New York, who on Monday, February 6, 2006, will remember the four Army chaplains in ceremony. Honoring the requests of the Argonne Legion post I gratefully join them in remembering February 5th as Four Chaplain's Sunday. As a Nation, it's imperative that we follow the lead of the American Legion and join in honoring these four brave and courageous soldiers.

of his retirement and his dedication to public service.

Mr. Lepsch has made a lifetime commitment to his community and Nation. As a young man, he served our Nation in the army during the Vietnam War. He has spent over 30 years as a member of the Attica Fire Department, serving as Chief, Rescue Squad Captain, EMT, and representing the department on various county and regional boards. He has served the residents of the Village of Attica as a Village Trustee for 10 years, most recently as Deputy Mayor. Mr. Lepsch has also been active in his parish church, serving as a parish board member and parish school volunteer accountant.

Colleagues, friends, and family alike hail Mr. Lepsch as someone who has exemplified genuine concern and dedication to his family and his neighbors and constituents.

It is with a great pride and gratitude that I rise to thank and honor Mr. Lepsch for his many years of commitment and loyalty to the citizens of Attica and Wyoming County.

HONORING GEORGETTE "TOOTSIE" LASKE ON THE OCCASION OF HER RETIREMENT

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 31, 2006

Ms. DeLAURO. Mr. Speaker, it is with great pleasure that I rise today to join the many family, friends, and community members who have gathered to pay tribute to an outstanding member of the Branford community and a dear friend of mine, Georgette "Tootsie" Laske. After twenty-seven years of dedicated service to the Town of Branford, Tootsie has retired from municipal service. Though she will no longer be at Town Hall, I have no doubt that Tootsie will continue to be a fixture in the Branford community.

A life-long resident of Branford, Tootsie graduated from Branford High School where she was an active and skilled athlete. Playing basketball, field hockey, volleyball, and gymnastics, Tootsie was recognized in 1999 for her accomplishments with induction into the Branford Sports Hall of Fame. After high school, Tootsie began working for Security Insurance Company and Nationwide Insurance. However, in 1978, Tootsie was hired by then Town Clerk Peter Abondi as Branford's Assistant Town Clerk—a position which she held until her election as Town Clerk in 1992. In her many years of service at Town Hall, Tootsie has made residents and non-residents alike feel welcome with her complimentary Tootsie Roll candies. Her kind heart and special way with people made her a popular figure at Town Hall and there is no doubt that her presence will be missed.

Tootsie's dedication to her community extended far beyond her work at Town Hall. Our communities would not be the same without those individuals who so willingly volunteer their time and energy on behalf of others. Throughout her lifetime, Tootsie has been this kind of community member—always willing to help in any way that she could. Whether it was as a volunteer for the Special Olympics World Games Connecticut in 1995, as a long-time member of the Italian-American Women's

Auxiliary of Branford, or her work with a multitude of local civic organizations, Tootsie's unwavering efforts have touched the lives of many. I have no doubt that, though she will be enjoying her retirement, Tootsie will continue to find ways in which she can enrich the community as well as the lives of others.

I am also glad to have this opportunity to extend my personal thanks and sincere appreciation to Tootsie for her many years of support and friendship. Tootsie is an extraordinary woman and I consider myself privileged to call her my friend.

For her countless hours of service, both professionally and personally, to the Town of Branford, I am proud to rise today to join her husband, James; her four children, Kathleen, Nancy, Thomas, and James; her eight grandchildren, Jenna, Bridget, Kelly, Scott, Mikayla, Patrick, Allison, and Kirsten; family, friends, colleagues, and community members in extending my sincere congratulations to Georgette "Tootsie" Laske as she celebrates her retirement. Her generosity, compassion, and good heart have left an indelible mark on the Branford community and a legacy that will inspire generations to come. My very best wishes for many more years of health and happiness.

HONORING THE 25TH ANNIVERSARY OF CATHOLIC CHARITIES OF SAN JOSE'S REFUGEE RESETTLEMENT PROGRAMS

HON. ZOE LOFGREN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 31, 2006

Ms. ZOE LOFGREN of California. Mr. Speaker, I rise to acknowledge and honor Catholic Charities of San Jose's 25th anniversary of its refugee resettlement programs.

Less than 1 percent of the refugees in camps are accepted by Western countries for resettlement. Refugees who have already suffered unthinkable crimes and injustices are often forced to wait in camps for as long as 10 years before being interviewed for consideration. The very lucky few who are accepted for immigration to the United States often arrive with little to no money, few, if any, family and only the hope and dream of a better life.

To ease this very difficult transition, Catholic Charities meets these refugees at the airport and begins the resettlement process immediately. They and their team of committed volunteers provide financial support for housing, food, clothing and other necessities, medical care, case management and independent living skills training such as budgeting skills, housing assistance and food preparation.

In their 25 years of dedication and hard work, over 20,000 refugees have been assisted in their quest to build a better life for themselves and their future generations. Catholic Charities of San Jose provides these valuable services at no cost to the immigrant.

This program is one of many that Catholic Charities provides in its overall vision of transforming lives. This wonderful organization strives to empower meaningful, quality living through economic, familial and emotional stability. Catholic Charities serves people of all beliefs, cultures, ethnicities and ages and serves a diverse population from various eth-

nic backgrounds and provides services in 17 languages.

It is indeed an honor and a privilege to have a warm, welcoming and nurturing organization in my district that appreciates and honors the diversity that makes America, and specifically San Jose, California, a desirable place to live, work and raise a family.

TRIBUTE TO THE GARY FRONTIERS SERVICE CLUB

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 31, 2006

Mr. VISCLOSKY. Mr. Speaker, as we celebrate the birth of Dr. Martin Luther King, Jr., and reflect on his life and work, we are reminded of the challenges that democracy poses to us and the delicate nature of liberty. Dr. King's life and, unfortunately, his untimely death remind us that we must continually fight to secure and protect our freedoms. Dr. King, in his courage to act, his willingness to meet challenges, and his ability to achieve, embodied all that is good and true in the battle for liberty.

The spirit of Dr. King lives on in the citizens of communities throughout our Nation. It lives on in the people whose actions reflect the spirit of resolve and achievement that will help move our country into the future. In particular, several distinguished individuals from Indiana's First Congressional District will be recognized during the 27th Annual Dr. Martin Luther King, Jr. Breakfast on Monday, January 16, 2006, at the Genesis Center in Gary, Indiana. The Gary Frontiers Service Club, founded in 1952, sponsors this annual memorial breakfast.

This year the Gary Frontiers Club will pay tribute to five local individuals who, for decades, have unselfishly contributed to improving the human condition of others in the City of Gary. Those individuals who will be recognized as Dr. Martin Luther King, Jr. Marchers at this year's breakfast include: Reverend Norman L. Hariston Sr., who is retired and a member of St. John Baptist Church; Dr. Alfonso D. Holliday II, a semi-retired physician who served Gary residents and is now a consultant; Roosevelt Haywood Jr., activist and former Gary City Councilman; Willie Kuykendall, a 1960's voting activist; and Cherrie B. White, a retired activist, will receive the 2006 Dr. Martin Luther King, Jr. Drum Major Award.

The late Mrs. Rosa Louise Parks will become the only person to receive a Dr. Martin Luther King, Jr. Honorary Drum Major Award for her single courageous act of dignified defiance on December 1, 1955, which set in motion the Modern Civil Rights Movement.

Though very different in nature, the achievement of all these individuals reflect many of the same attributes that Dr. King possessed as well as the values he advocated. Like Dr. King, these individuals saw challenges and rose to the occasion. Each one of the honored guests' greatness has been found in their willingness to serve with "a heart full of grace and a soul generated by love." They set laudable goals, and they worked hard to achieve them.

Mr. Speaker, I ask that you and my other distinguished colleagues join me in commending the Gary Frontiers Service Club:
